Qualified Chef / Manager required - minimum of 5 years' experience as a qualified chef, managing and training staff, ordering and menu development. We are looking for someone to help run a busy bistro in an island, waterfront environment. It would suit someone considering a sea change to a relaxing island location in the Southern Moreton Bay Islands - not far from Brisbane CBD.

There is potentially the possibility, for the right person, of eventually running the business or even possible purchase.

The Bistro is currently open for lunch Tuesday through to Sunday, dinner Wednesday to Saturday plus Sunday breakfast.

If you are interested please forward your resume to Philip Postlethwaite on [ppostlet@bigpond.net.au](mailto:ppostlet@bigpond.net.au) or if you have any questions telephone 0414 396 840Va
